

ICON VEHICLE DYNAMICS

1580 Commerce St. Corona, CA 92880
ph. 951.272.ICON fx. 951.272.4IVD

Instruction Sheet:
Part No. 5-7505
2005-2007 Toyota Tacoma
Rear Reservoir Shock

Enclosed Parts List:
(1) Reservoir Shock
(1) Reservoir Mount
(1) 3/8" x 3/4" Self Tapping Bolt
(1) 3/8" Lock Washer, Gr.8
(1) 1/2" x 2" Hose Clamp

*****READ ALL INSTRUCTIONS THOROUGHLY FROM START TO FINISH BEFORE BEGINNING INSTALLATION! IF THESE INSTRUCTIONS ARE NOT PROPERLY FOLLOWED SEVERE FRAME, SUSPENSION AND TIRE DAMAGE MAY RESULT TO THE VEHICLE!***

*****Warning!*** *Icon Vehicle Dynamics* recommends that you exercise extreme caution when working under a vehicle that is supported with jack stands.

INSTALLATION INSTRUCTIONS:

1. *ENSURE TRUCK IS IN GEAR OR IN PARK, SET PARKING BRAKE, TURN OFF ENGINE AND CHOCK TIRES!*
2. Lift the vehicle off the ground then support it with jack stands placed under the frame rails. Allow the rear end to droop to almost full extension. The stock shocks are your down travel limiters so make sure the rear end is not being held up by the shocks you are about to remove. We do this by having the tires on the ground with the frame held up by the jack stands.
3. Remove the stock shocks from the vehicle.
4. Install the new IVD reservoir shocks using the stock lower shock bolt and the new upper nuts. The reservoir hose should be pointing toward the front of the vehicle on the driver side and toward the rear of the vehicle on the passenger side

5. Fasten the reservoir mounting bracket to the center of the reservoir with the provided hose clamp.

6. Hold the reservoir and mounting bracket against the frame, keep some slack in the hose, and mark the location of the hole on the frame.

7. Move the reservoir and mount away from the frame and drill an 11/32" hole in the spot that you just marked.

8. Deburr the hole, place the reservoir and mount back against the frame, and install the self-tapping bolt.
9. Make sure the upper and lower shock hardware and the hose clamp and reservoir mount are all tight. You are now done installing your new rear reservoir shocks!

For technical assistance or suggestions on how to make our product better call (951) 272-ICON Monday-Friday between the hours of 8am-12pm and 1pm-5pm Pacific-standard time, certain holidays excluded.

***Icon Vehicle Dynamics* LIMITED LIFETIME WARRANTY**

Icon Vehicle Dynamics warrants to the original retail purchaser who owns the vehicle on which the product was originally installed. *Icon Vehicle Dynamics* does not warrant the product for finish, alterations, modifications and/or installation contrary to *Icon Vehicle Dynamics* instructions. *Icon Vehicle Dynamics* products are not designed, nor are they intended to be installed on vehicles used in race applications, for racing purposes or for similar activities. (A "race" is defined as any contest between two or more vehicles, or a contest of one or more vehicles against the clock, whether or not such contest is for a prize). This warranty does not include coverage for police or taxi vehicles, race vehicles, or vehicles used for government or commercial purposes. Also excluded from this warranty are sales outside of the United States of America and Canada.

Icon Vehicle Dynamics obligation under this warranty is limited to the repair or replacement, at *Icon Vehicle Dynamics*' discretion, of the defective product. Any and all costs of removal, installation or re-installation, freight charges and incidental or consequential damages are expressly excluded from this warranty.

Items that are subject to wear are not considered defective when worn and are not covered.

Coil over take-apart shocks are considered a serviceable shock with a one year warranty on leakage only. Service seal kits are available separately for future maintenance. We do not warranty any other product not directly manufactured by *Icon Vehicle Dynamics*.

Icon Vehicle Dynamics components must be installed as a complete kit as shown in our current application guide. Any substitutions or exemptions of required components will immediately void the warranty.

Some finish damage may happen to parts during shipping and is not covered under warranty.

This warranty is expressly in lieu of all other warranties expressed or implied. This warranty shall not apply to any product that has been improperly installed, modified or customized subject to accident, negligence, abuse or misuse.
